

Under Mary's Mantle of Hope

*The Path to a Deeper
Friendship with Christ*

Throughout history, saints and popes have placed great trust in Mary, but for Fr. Lawrence Lew, a convert from Protestantism, this trust was by no means intuitive or easy. Through God's providence, he grew in a childlike trust of Mary, who always leads us closer to her Son. In learning to pray the Rosary, Fr. Lew discovered its focus on Christ and the core of our Christian hope. In times when hope fades, the Rosary has been God's instrument of hope, guiding souls to salvation, deeper friendship with Jesus, and a closer walk with God.

In this Marian talk, rediscover the theological depth of the Rosary, its vital connection to the virtue of hope, and how it can rekindle hope in your heart, especially this year during the Jubilee of Hope.

For those devoted to Mary, our Blessed Mother invites you to grow in holiness and help rekindle faith—even drawing loved ones back to Christ. For those curious about her vital role in our salvation, this is a grace-filled opportunity to deepen your love and devotion to the Mother of God.
